Is the theme about something that is or was (more or less) real at the time?

- **yes and no**
  - Is the theme about something that involves a relatively large number of people at a time?
    - **yes**
      - Is the theme about a very philosophical/abstract/esoterical thing, and is it discussed in such a way?
        - e.g. “the nature of...”
          - **yes**
            - The Pursuit of Knowledge
          - **no**
            - Alternate Reality
        - **no**
          - The Pursuit of Knowledge
    - **no**
      - Alternate Reality
  - **yes and no**
    - Is the theme about matters intrinsically human?
      - **yes**
        - The Pursuit of Knowledge
      - **no**
        - The Pursuit of Knowledge
  - **yes and no**
    - Is the theme about something that is or was (more or less) real at the time?
      - **yes**
        - Society
      - **no**
        - The Pursuit of Knowledge
  - **other**
    - Is the theme about a situation or experience encountered by one, two or a relatively small number of people at a time?
      - **yes**
        - The Human Condition
      - **no**
        - The Human Condition
    - Is it about every day things such as family or the workplace?
      - **yes**
        - That's a relatively small number of people.
      - **no**
        - That's a relatively small number of people.
    - sounds pretty esoteric to me...
